

AC & IOC International Leadership & Coaching Conference 2020

Coaching in the Workplace

Performance. Culture. Mastery.

24 - 26 June 2020 | Online Conference

Connecting today's virtual workplace through
coaching excellence and mastery

coachingintheworkplace.org

The premier online coaching event of 2020

The Association for Coaching (AC) and the Institute of Coaching (IOC) at McLean Hospital, a Harvard Medical School Affiliate, have co-created this virtual International Leadership and Coaching Conference, taking place on 24 - 26 June 2020.

Coaching in the Workplace is set to be the premier coaching event of 2020. This three-day online conference event will inspire and promote increased business performance through the power of coaching, bringing you the latest thinking and best practice around high-quality coaching to drive culture and equip leaders and their teams to thrive.

Innovative learning at your fingertips

Our cutting-edge, virtual platform provides an easy to access, flexible and cost-efficient conference experience for delegates, speakers, exhibitors, and sponsors

Participants will gain access to the latest thinking around high-quality coaching

from anywhere in the world, inspiring and promoting increased business performance through the power of coaching. By joining the conference, you can participate in the engaging conversations and gain access to a valuable source of materials and content, pre, during and post the event.

Connecting global business leaders

Respected speakers, thought leaders, industry experts, and senior executives will share their wisdom on coaching in the workplace with over 1000 international delegates including:

- Leaders, Senior Managers and emerging leaders of global businesses
- Heads of Human Resources, Organizational Development and Culture
- Internal Coaches and Learning & Development practitioners
- Seasoned, C-suite Executive Coaches and Master Team Coaches

expert speakers

Your Conference, Your Way

We offer a choice of three Business Tracks and 30+ sessions, delivered in 35 hours over three days. Our sessions have been tailored to meet your exact level of coaching expertise or ambition to adopt a professional coach approach in your organization.

Join us live or learn at your own pace via on-demand access – including session recordings, podcasts, slides and handouts – all available for three more months following the event. Giving you plenty of time to absorb this powerful content and put it into practice, without disrupting your schedule.

Three Business Tracks

Business Track 1

Leading with the Coach Approach

- What does it mean to take a 'coach approach' in your organization? Learn how to embed coaching in your leadership style.
- Live Leadership Coaching Circles are a facilitated group process that focuses on what is needed most to enhance leader-effectiveness.

Business Track 2

Building Coaching Capability & Culture

- Develop and enhance coaching capabilities. How do you integrate a coaching culture throughout your organization?
- Live HR Round Tables are facilitated group discussions around specific challenges and transferable solutions.

Business Track 3

Executive & Team Coaching Mastery

- Deepen and broaden your insights and perspectives in executive and team coaching. Learn from other seasoned practitioners.
- Live Executive Coaching Circles will offer leaders & coaches the opportunity to experience coaching in real-time in a facilitated group process.

Our Speakers

Join 27 world-class speakers from across the world for this entirely virtual conference, as we connect global business leaders through coaching excellence and mastery.

The Association for Coaching (AC), is a leading independent and not-for-profit professional body dedicated to excellence, mastery and ethics in coaching, worldwide. Our vision is to advance the science and practice of coaching, and promote a coach approach to leadership so that coaching ‘ripples’ out in business and society as a key enabler for performance, responsibility, and fulfilment.

“We are excited to hold our 2020 International Coaching in the Workplace conference, entirely online!. Join us and enjoy the opportunity to connect with a global coaching community, learn from the best, and experience an event you won’t forget!”

Katherine Tulpa

Global CEO and Co-founder, Association
for Coaching and Executive Director, Wisdom8

Institute of Coaching

McLean, Affiliate of
Harvard Medical School

The Institute of Coaching (IOC) at McLean Hospital, a Harvard Medical School Affiliate, is a non-profit organization dedicated to establishing and strengthening the scientific foundation of coaching. Our mission is to empower people with the best coaching science. We believe that together, we can shift the consciousness of the world – one client, one organization, and one community at a time.

“We have gathered thought leaders and practitioners who are ahead of the curve to help you slingshot forward. Together we learn, adapt and succeed. The world needs great leaders and leadership coaches.”

Carol Kauffman, PhD

CEO & Co-Founder, Institute of Coaching
